To All Petroleum & Flammable Material Import Licencees

Dear Sir / Madam

IMPORT OF COMPRESSED NATURAL GAS (CNG) INTO SINGAPORE

Recently SCDF has received feedbacks that companies are importing CNG in cylinders into Singapore, which is not allowed as stated in Petroleum and Flammable Materials Regulation 2005.

2 This circular is to remind you as the Petroleum & Flammable Material Import Licensees that you are not allowed to import CNG in cylinders into Singapore, apart from the exemption quantity.

3 This circular is for your strict compliance.

Yours faithfully,
